Re: Reference for The Medicus Firm

To Whom It May Concern:

I have been working with The Medicus Firm since the fall of 2010 to fill searches in Vascular Surgery, Endocrinology and Pulmonary. Since then we have successfully filled our Vascular Surgery position.

I have found our recruiter, Jeff Guarnera, to be extremely professional, resourceful and knowledgeable throughout the recruiting process. Jeff is personable and focused on results at all times. Jeff communicates with me in all aspects of the searches and offers helpful suggestions to me, which is great when working with our Medical Staff. The screening process is very thorough. The presented candidates are always well informed of our opportunity before a phone interview and prepared for their site visit.

The Medicus Firm provides us the best chance to fill the toughest searches. Their knowledge and sense of partnership make them a pleasure to work with and we look forward to a long lasting relationship. I strongly recommend The Medicus Firm to assist in filling the toughest of searches.

Sincerely,
