To Whom it May Concern:

Working with The Medicus Firm these last few months has been one of the easiest and most pleasant experiences I have had with a recruiting firm. typically like to do things myself, but needed some help. Mark is one of the most professional, organized, systematic recruiters I have met and I am using him again for that reason. I will end up using him from now on if I have any recruiting needs in the future.

I highly recommend The Medicus Firm as a company. If you have any questions please feel free to contact me.

Sincerely,

Brett Willey
